

Dear colleagues,

The Sicilian associations EVA and III Millennio are looking for partners who can host for a period of 1 month, 15 Italian youths and guarantee them:

- a month of traineeship in European project management field (Partner search 1 from EVA). For a detailed presentation of the project of EVA, please click [here](#).
- a month of traineeship and/or facilitate their participation in a linguistic training course to obtain an advance English linguistic certificate (Partner search 2 from Millennio). For a detailed presentation of the project of III Millennio, please click [here](#).

Partners sought are public or private body.

As the call for project does not permit to share the budget with the partner; EVA and III Millennio will recruit a professional from the partner organisation who will be tutor of the traineeship.

We kindly ask you to disseminate this proposal to your colleagues and regional stakeholders that might be interested in this partnership.

Interested parties are kindly invited to contact by **10/06/2015** Mauro Farbo mauro.farbo@libero.it
