JUST/2014/JDRUG/AG/DRUG  
Drugs Policy Initiatives**

<b>Organisation</b>	<p><a href="#">SerD (Servizio per le Dipendenze)</a> is a public service unit of the Mental Health Department of the Aosta Valley Health Agency, specialized in the prevention, care and rehabilitation of people affected by addictions.</p> <p>It has been operative since September the 15th, 1988 and it is the only public organism of the Regional Health Agency that deals with addictions and compulsive behaviours.</p> <p>The Service provides treatment and counselling on legal and illegal substance abuse (alcohol, tobacco, illegal drugs) and other compulsive behaviours, such as pathological gambling and internet addiction.</p> <p>SerD also provides cure and care services, psychological, educational and social counselling, as well as the prescription of therapies, social and work reintegration schemes and support to the families.</p> <p>It is also SerD's job to cooperate and liaise with public authorities and legal services that are dealing with drug-related issues.</p>
<b>Funding programme/call for proposal</b>	Justice programme 2014 – 2020: <b><u>Drugs Policy Initiatives - JUST/2014/JDRUG/AG/DRUG</u></b>
<b>Deadline</b>	November 5th, 2014
<b>Description of the project idea</b>	The priority of the project would be the development of innovative approaches to relapse prevention and the creation of good practice schemes for the reintegration and rehabilitation of drug users, including former convicts, through the exploration of alternatives to coercive sanctions.
<b>Partners being sought</b>	SerD would like to join an existing consortium and could provide its expertise to the further development of the project.
